

# The payment card in Bremen

In Bremen there is the so called **payment card**. This payment card is a kind of prepaid-card but with many **limitations**.

- You can only withdraw € 120,- in cash
- In many shops you will not be able to use it to buy things

This is discriminatory. This is harassment! Let's organize resistance against it together.

We exchange your credit balance on this card for cash. The exchange action has **no negative** effects on your asylum case. It is **legal** to do this!

## How does this exchange work?

# Exchange action

here is how it works:

1

**Go and buy a shopping voucher (max 50 €).**

You can find these vouchers at the cash desks of the shops.

You have to pay for the Voucher with your payment card. You can top up a Voucher with a maximum of 50 euros.

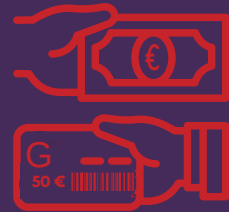

**REWE**

2

**Bring the Voucher to us.**

We then exchange the Voucher for cash.

3

**When and where do we exchange?**

**Every tuesday  
03:00 - 06:00 pm**
